HOW TO FIND US

DIRECTIONS

Peterborough Cathedral is at the heart of Peterborough City Centre.
It is very easy to find and to get here.

The Cathedral is well-signposted with 'brown signs' on major roads into the city.
Otherwise, please follow signs for the City Centre.

PARKING

There is no public parking available in the Cathedral grounds (Precincts), but plentiful parking is available just outside, within a 5-10 minute walk.

PARKING FOR PEOPLE WITH DISABILITIES

There are two parking spaces for blue badge holders within the Cathedral Precincts. If you would like advice, or if further provision is required, please call the Cathedral Office on 01733 355315. If you have problems once on site, please let any of our staff know, e.g. a Welcomer at the main entrance, a Verger or Security Guard and we will assist.

You will need a security code to exit through the vehicle barrier at the end of your visit. Again, a Welcomer or other staff member can provide you with this.

BY COACH

There is no parking for coaches in the Cathedral Precincts, but there is a coach drop-off point for visitors just outside on Midgate (PE1 1SA). Visitors should make the two-minute walk up Wheel Yard, past the vehicle barrier and into the Precincts. The West Front of the Cathedral will be on your left. Coaches can park at the Coach Park on Bright Street (PE1 2ED).

BY RAIL

Visiting us by rail is very simple. Travel to Peterborough Station and follow the pedestrian signs to the Cathedral walking through the city centre, which will take approximately 10-15 mins
